

Mrs. Susan "Suzy" Ellen Fago

August 11, 1964 - July 12, 2022

Susan Ellen Fago, "Suzy" to all who knew her, 57, wife of Carl Fago, of Seneca, SC, passed away of complications from ALS (aka Lou Gerhig's disease) on Tuesday, July 12, 2022, at her home surrounded by family and friends.

Born in Baltimore, MD, Suzy was the daughter of Mary Ellen Bain and the late Ronald Bain. In addition to her husband and mother, Suzy is survived by her son Christopher Fago (Megan), brother Bill Simpson (Marlene) and sisters Peggy Carlile (Joe) and Mary Jane Bain.

She was a loving mother, wife, daughter, sister, friend and nurse. She felt most proud of the man her son has become and her service as a nurse at Oconee Memorial Hospital. Her greatest satisfaction was helping her patients and their families.

Suzy always enjoyed the beach and ocean. Her "girl's trips" to the beach turned out to be the source of legendary stories, some of which are held in secret by those who were there. Suzy learned scuba diving late in life but diving quickly turned into her most favorite hobby. Her underwater photographs are beautiful. She was a passionate member of the Dive Pirates Foundation where she helped physically disabled divers to scuba dive.

A memorial service will be held at a later date and will be announced here.

In lieu of flowers, memorials may be made to: Dive Pirates Foundation at <https://divepirates.org/donate>

Carl thanks the staff of Hospice of the Foothills for their help and kindness during Suzy's final months. <https://www.prismahealthupstategiving.org/oconee-donation/>

“ *My husband and I were on a cruise, we decided to go to a beach for a day trip and we were fortunate to meet Suzy and her friend Tara. What an amazing day we had full of fun and laughs. This was a memory of meeting Suzy for a few hours on a beach! We all remained FB friends and I can only imagine a friendship that could of been. Prayers for your family. Suzy is at peace. I feel blessed to have known her for the short time of a few hours on a beach. Such a beautiful fun person proud, Mother and wife for sure.*

“ Carl and Chris,

I am so sorry to see this news. Suzy was one of my dear friends in nursing school. We shared many study dates together, beach trip to SNA with SGA (as she was our President) and even got our mani/pedi together before pinning and graduation. We attempted Curves workouts, but she was stronger willed than I, as I know you both know. We shared a love for VW Bugs, as well. Her passion was definitely Carl, Chris, her dogs, and special needs. I know you both are heart broke, and I share your pain of what ALS does, as I lost my father from ALS when he was 58. Suzy will not be forgotten and she certainly left her mark on this Earth. Prayers and hugs to you both.
