“ *I am so sorry for your loss. Tony and I worked together in Flint and I met your mother on many occasions. That was really when our staff was like family. Unfortunately I didn't hear of your father's passing until today. He was a lovely man with a great sense of humor and your mother was friendly and gracious. I have missed them since they moved. It's really hard when you lose your last parent -- my thoughts and prayers are with you.##imported-begin##Marcia McGee##imported-end##*

So sorry to hear about Sue. Sue and Tony were so good to me when I was working for him. I will never forget either one of them.

You have my deepest sympathy.
