“ *Nanny, I will always remember the great memories made at your house! You put up with a lot from us kiddos but loved us no matter what. I think often of your spaghetti since I have never been able to make mine taste like yours! Your buttered toast and chips ahoy also tasted better than everyone elses. What I would give to have you make me have nap time today. You cared for me, Matt, and Brad as if we were your own and I know my parents are grateful for that! You will be missed but I know you will take care of us again in heaven one day. You thought you were through with all us kids but now we have an angel to watch us from above.*
