“ Your beautiful compassion and sparkle will be missed but we are certain that heaven is being filled with your love.

I will do your part of cheering on the Clemson Tigers this coming season for I know you so enjoyed watching the games with Dad and Mom when you could.

Your morning coffee on the patio at Mom and Dad's will forever be remembered as well as a life time of so many wonderful memories with family.

Enjoy your beautiful new home.

*Forever Love,
Tracey and Mark McSwain*

“ Upon hearing the sad news of Tammy’s passing I was shocked and heartbroken. During the holidays at Mema’s growing up Tammy always included me and my brother in conversations and activities even though she was the older cousin and we were only kids. My family’s thoughts and prayers go out to Aunt Betty, Uncle Dalton, Tracy, Shannon and other extended family members. Remember that we’re here for you and the family is always in our prayers, especially during times as hard as these.

“ Where do I start? Tammy has been my friend for almost 17 years. She was one of the kindest souls I’ve ever meet. Always thinking of others and willing to help. Those beautiful blue eyes and upbeat personality always there to greet you. She so loved her Austin and Kaitlin. They were her world. I’ll always remember our training sessions, walks on the beach, lunches out, concerts we attended. Too many things and times to list. She’s in a better place now. Tammy, I love you and my heart has a hole in it. It was a blessing to have had you in my life! Rest In Peace my beautiful sweet friend!
