*My heart goes out to all of you. Tammy was such a great mother, wife, daughter & friend. She was so much fun to work with. I can't imagine how boring it's going to be at work now. We said yesterday that she was looking down on us and laughing and saying there they are eating again. We are really good at that. I love You All & will be praying for you. I will truly miss her very much. I can't wait to see her again in heaven. She is our special angel looking down on us all.*

*Our thoughts and prayers are with you all in your loss of such a wonderful wife, mother, & daughter. Without a doubt I know that she loved her babies, husband, parents, and our Savior Jesus Christ. Being our neighbors I got to know that Tammy was such a special woman, she is actually the special woman who invited me to church and never gave up, so that I too could learn about her Savior, and I know she is resting with him now. We love you all and will keep you in our prayers. The Bryson's*

“ *Mr. & Mrs. Popham, Frankie, and children,*

*We were so shocked and so horribly sorry to hear about Tammy. We would have never dreamed that when we lost Jason less than a year ago that you all would be in the same situation. You were so good to us during our time of need and please know that we are here for you all as well. We love you and your family and the kindness you have shown to us over the years. Please know that you are all in our prayers and we pray that you will feel God's presence during this time. It's so hard to understand why things like this have to happen, as we have certainly questioned "why?" when it happened to Jason. We still don't understand why...and even though things will be hard for a long time...the pain becomes less sharp the more the time passes.*

*Again, we are so sorry and we love you all.*

*Love and prayers,*
