“ June, will always be apart of my life. For the last 16 years she has been more like a sister than a friend . We shared happy & sad times. She was always there for me, and I tried to be there for her, if we couldn't visit each other we talked on the phone or e-mail each other. God bless everyone that new her . My prayers will be with Jim and the boys Nicholas , Megan & Dustin & her Sisters##imported-begin##Edith R. Parker##imported-end##
