“ Sweet Sonja, and your brothers...words cannot express my deepest condolences to you. Knowing your Mom and Dad was a true pleasure. I have so many fond memories when Jim and Carroll were young security officers. The times we spent at your house and the times y'all spent at ours are forever in my heart. When you were little, Sonja, you would sit in my lap while the twins and my son made havoc of everything! I'm hugging you with my heart now, and praying for peace for your family. Jim has been gone for almost 9 years...Ann didn't have to be without her soul mate very long, and there's a blessing in that. Love you all and continued prayers.
