“ Please allow me to offer my condolences to the, Addis family with these comforting words: No matter which member of a family dies, there is a great sense of loss. As one psychiatrist put it, “when your parent dies, you have lost your past. When your child dies, you have lost your future.” The Bible describes the future condition of humankind on earth by stating that God “will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” (Revelation 21:4) Truly, the resurrection is something for us to look forward to with eager anticipation and joy. I am very sorry for your loss. May God's Word comfort you and your family. Sincerely, Meryl ~ [crochetmerylsway@gmail.com](mailto:crochetmerylsway@gmail.com). “ *I didn't know Terri well, but the few times I did have the chance to speak with her she was always smiling and very kind. I do know one thing for sure, I am grateful to Terri and her husband for raising beautiful children inside and out. Kristen has been such a blessing to our family and we love her very much - we are so thankful for her friendship to our daughter Abi. Terri was a beautiful lady and loved by so many and I wish I had more time to know her better. I will continue to pray for comfort for her family.*
