“ *To Terry's family. I am a cousin to Terry, my mama and his dad were twins. It has been a long time since we were together as cousins but I do love you as family. It is so good to read all the comments about you all and I am glad your life was full of laughter and friends. May God bless and give comfort to each one of you as you deal with this loss. God bless and keep you.*

“ *Teddy and Lane, at a time like this, I cannot help but remember all of the great times we had as kids. Whether we were at your house or mine, it was like we all shared four parents!. Mr. Terry was a second father to me, and I will always be thankful for the times I got to share with him (and the rest of the family!). I am not sure how our parents were able to put up with all of the mess we got into, but Dad almost always had a smile on his face when we were together (unless we messed up, which happened often enough!). I even enjoyed working in his garden planting potatoes! I am very thankful for all of those times as a kid, but I am even more thankful for the time I got to spend with him on my last trip to South Carolina. My prayers are with both of you and your families during this time and know that I am always here for you. I do take comfort in knowing that our dads are together again, probably looking down at us, and joking about all of the things we did as kids. I love you all and will be talking to you soon.*
