“ Doyle and Betty, and Dearest Cousins;
It is a very sad day to hear of the passing of Terry. I know that his absence will make a large void in all your lives. But fear not, for there will come the time when you all will be together again. Until then, he will live on through all of your wonderful memories you all share of him. I am praying for you all.....Joel##imported-begin##JOEL COLLINS##imported-end##

Lisa, we only learned of your loved one's death while we were on vacation last week. We are so very sorry. I remember how much my sister, Judy Hopkins, and Clarence thought of you and loved working with you. Steve Harvey is married to my niece, and he's the one who gave Clarence the sad news last week. We didn't know Terry, but we know he must have been a fine man for you to have been engaged to him. Our prayers and love to you and the rest of his family.
