“ Louise had a beautiful spirit! I haven't seen her in years, but I have fond memories of her in my childhood & early 20's. She also came to my home after my first son was born and took care of me & the baby. She insisted I rest & she rocked Coty & made supper for my husband while he worked. I will always remember her generosity as long as I live. Rest in Peace Aunt Louise! I love you! Trina

“ I am so sorry about the passing of Louise. I remember when we were young and everything was so simple. She was a sweet person and always so happy when we were around one another. We did not see each other very often after we were grown but when we did she was the same happy girl I remembered. She is with her Savior and family now and I know she still has that big smile on her face. With all my love and sympathy. Leonard
