“ *Doris,*

Although we can't be there, please know we love you, and have you in our thoughts and prayers constantly.

Mrs. Goff was a delightful person, and we enjoyed being with her each Christmas. She was just one of the gang. There'll be a new hole in our Christmas this year. We have quite a few holes in our holidays now.

Take care of yourself, and know that we love you and Jan very much. Hug and kiss her for us.

Our love,
