“ We are so sorry to here of aunt Thelma passing. Our hearts are sorrowful for the loss...We will surely miss her. She was always such a joy in our lives. We had planned on a visit during the Thanksgiving holiday with her. Since all the sickness began we haven't visited with relatives as much as we would have liked, and we have missed the visits with all the great aunts and uncles...and from my last conversation with her she had told me how much she was missing uncle Frank, so I can only imagine that she is with uncle Frank now, because that would truly be heaven for the two of them! Please except our condolences !
