Just came across notice of your mother's passing. I am so sorry for your loss. I think of her and you often remembering visits to your home in Louisiana so many years ago.

May your memories sweeten this most difficult time for you and your family.

“ *Nana was the most genuine lady I ever had the honor to meet. She treated everyone like family and was always concerned about your well-being. She was a selfless angel who put everyone above herself. I will never forget her hugs or cheers at our softball games. We love you then, now and forever! Love Trisha, Lukas and Connor Johnson*

Aunt Joyce was and will always be very special to me. I admired her patience, selflessness, optimism and way of making all feel welcome and loved. I regret not calling more often and truly hope that she knew how I felt about her. Please know that your Louisiana family has you all in our thoughts and prayers and look forward to seeing you again. I love the picture you chose. It shows the classic Aunt Joy mischievous smile with a twinkle in the eyes. Love to you all, Tina Hebert Perkins
