“ *Theresa was a beautiful soul, and I will miss her. While I'm saddened by her passing, I rejoice that she has been fully healed, made perfect, and is now with her Savior. That thought brings a smile to my face! May everyone in her family feel the Savior's arms wrapped around them extra tightly during this time. May He shower you with His peace and comfort as you recall all of the wonderful moments that occurred because Theresa was in your lives. May God richly bless each of you.
