“ *So many good memories of Irene came to my mind as I thought of her today. She was a talented and thoughtful person.. She made a great Smurf cake for a birthday party for Shanna and a prize winning witch costume that Shanna wore until she outgrew it. We sat through many baseball games and we both loved every minute of it. My thoughts and prayers are with you during this difficult time.*

“ We came to know and love Irene through the friendship she and sister Linda developed with my late sister, Bernardette. Irene will be remembered as an honest, genuinely caring and giving woman who made the lives of all she touched better.

Our deepest sadness and condolences are the little we can offer Harold, the kids, grandkids, sisters and extended family just now, but please know that Irene was and will always be special in our memory, and we are better for having known her.
