“ I am so sorry to hear of Tom passing. I've known Tom from being a contractor where he worked for about 10 years now. He was truly one of the funniest and down to earth people that I've ever met with a personality that would light up a room. I always enjoyed laughing and cutting up with him whenever I visited the plant. I will miss him with all my heart. I pray for comfort for the family.

Tom had one of the biggest hearts that I've ever known, and I am assured that he is now enjoying eternal peace with the One he loved. “ My thoughts and Prayers go out to the entire Grant family. I am a long-time Schneider Electric employee and have know Tom for decades. He was great to work with, but more than that, I will remeber him for his easy-going attitude and big heart. You and we have truly lost a great man. I am very sad he is gone, but get some comfort in knowing he lives on in you, me and all the other lives he shaped and touched. I don't know that I will be able to live-up to the standard he set, but I will honor Tom by trying. Peace and Love. Jim McGinnity

“ I've Only known Mr. Tom Grant for a short period of time but the 4 years I've known him there was never a moment I didn't see Tom he wasn't singing. But the most found memory was only days ago me Mr. Tom was on the shop floor at work talking about how me and him love to eat food. And boy me and him was tickled about how good a pot of pinto beans on cake of cornbread was. Then as we went on and on he look at me and said you know what would make the pinto beans even better some pickled peaches oh boy the look on my face when he said that I said Tom idk about that he said honey that is some eating. I laugh and laugh bc never in my days have I heard of pickled peaches but I'll never forget this conversations bc for someone to have the love for food like I do really made me think it's ok to love some food. But I sure will miss hearing him sing and speaking to me as we pass by lone another. Until me meet again Mr. Tom R.I.P!!!!

Tom was such a great example and a man who clearly lived his life every moment of every day with integrity, joy, and a genuine love. Always and without fail a caring nature that drew everyone he met, to instantly connect with him. Everything Tom ever shared he was thankful for involved his family and his Faith. “ Our thoughts and prayers to Lisa and family. I worked closely with Tom through most of my 26 years with Schneider Electric. Tom was a special person who genuinely cared about people - which made him an exceptional fit to be the Safety Manager for the Seneca facility. I have many fond memories of the great people at the Seneca site - 2 of my fondest were of Tom. His creativity was showcased in his development of "Safety Baseball" and there could not have been a better "game show host" for that activity than Tom - he was amazing. But the greatest memory of all was thankfully a repetitive one ... that being each year at Christmas when Tom suited up as Santa Claus for the Tribble Center clients working at the plant. His portrayal was so entertaining - his interaction with those folks so delightful, that many believed he was in fact - Santa. His genuine caring for those folks just oozed right through that red suit.

Tom will be deeply missed.

Larry Smith - retired Schneider Electric Plant Manager

“ My heart goes out to you Lisa and your family, although I haven't been a part of your group very long, Tom had a big impact on my life already, as have you too. You and your family will be in my thoughts and prayers through this difficult time, and remember we'll all be together again. Nanette Richardson

“ I remember about 2 years ago, my department made a safety video... Tom was just so tickled, he played it to all his safety meetings because he thought it was the funniest thing. :) I was a little embarrassed because I was the one singing in the video. I first met Tom about 10 years ago. He has always been jolly, happy, and just full of life. I will dearly miss him. I am truly sorry for your loss. Goodbye my friend! - Elizabeth Brown

“ Tom lived his life as an example of a Godly man and shared with me God's work in his life. I especially remember Tom's love for music and his wish to have a fine singing voice. He shared that he looked forward to Heaven and the ability to sing with a beautiful voice. Praise the Lord, Tom you have the Beautiful Voice now!
