“ Tom, Peggy, and Duke were the first people we met when we moved to Tamassee, SC. I remember thinking if all the folks we meet here are as nice as Tom and Peggy, we found our place in life to live and be happy. I will miss all the good times we had together like the time Chris, I and Tom, and Peggy went to FARM AID Concert in Hershey, Pennsylvania. We had a great time and we went to Hershey Park to get some Hershey Chocolate. There are so many memories that are the gift that you leave behind and someday we will meet again my friend. I will always remember all the great times. R.I.P. You deserve it. Here is one last hug and I will expect one more when we meet up yonder.

“ Tom, there is none like you. Because of your Giant impact on my life as well as everyone else who knew you, the loss of you here on this earth is going to be heart-wrenching! Your love for your family, friends, and country is immeasurable! You always made known your care and concern for others. As brothers and sisters, we share a unique closeness and connection with one another and treasured our parents! Although we had bad times with the good, it never completely severed who we were as a family. You always included me in your life, from the beginning of mine to the very end of yours. You made things matter! From birds flocking around a bird feeder, the color of the leaves changing, Thanksgiving day, Christmas decorations, music, dogs, cars, and any new gadget that you found! I love you beyond reason! The memories are many, and each one with a lasting imprint! Every 4TH of July you built an explosive, one bigger each year until the time you blew a hole in the road in front of mom and dad's house! Oh, the excitement and anticipation of what would happen!! I bought my first car, a 1984 Dodge Daytona Turbo. You would come to my workplace and pick up my keys while leaving me yours and you would drive my car all day while I drove your old yellow, rusty, no brakes truck to lunch with my friends who would say, "Didn't you buy a new car? Oh yeah, your brother Tom has it". I will miss your almost daily texts and videos of Peggy and Rocky! For me, it will always be Tom, Peggy, and Rocky! I am proud of you and can only hope to be even a portion of the person you are!  
I love you Tom,  
Yvonne
