“ *I was so saddened to hear of Tom's passing. Daddy told me he had been sick. My memories of Tom were at Mt. View Baptist Church. He was such a kind, humble man. He was a good example of what a Godly man should be.*

I'm so sorry Pauline and family. I will always have good memories of him. I'm so sorry we couldn't make it to the services, but both my parents were sick and in the hospital during this time. Thinking and praying for you all.

“ As I reflect on my 56 years of stumbling in the footsteps of this great man, two words come to mind in describing him...selfless servant. He always put the needs of others above his own, even in his final days. He was a faithful servant of our Savior and of his fellow man. I will forever be grateful to God for putting this beautiful man in my life and for the blessing of knowing him as Daddy.

“ *It is great sadness I read the obituary of Tom Lusk. I worked with him in the 1960's at Pratt Read in Central, SC for several years. I am not sure who left first but he left for BASF and I went to Phillips Fibers in Seneca in July 1968. He was one of my supervisor's and I had utmost respect for him. I knew we were close in age and I just recently turned 79. The family is certainly in my prayers as you grieve the loss of a husband, dad and granddad. May the Lord sustain each of you in the coming days.*
