“ As a longtime customer of Tommy’s I could take him my DIY-inflicted wounds and he would always take care, apply his master skills, fix my mistakes, and make it better, stronger, faster. Tommy always had a smile and never shamed this novice. He was a rare and treasured soul who will be missed by the community and all who knew him. We pray for peace and healing for his Family, Friends, and Loved Ones.

“ *I wish I had words that could explain why our friend was gone, but I don't. It is hard to wrap my head around this. Tommy was a pillar of the community and he will be greatly missed. He was always smiling and full of life. Never a bad word about anyone that I can remember. To Sabrina and the rest of the family, know that he made an impact on everyone that met him. He always talked about how much his family meant to him. Rest In Peace my friend. Tell the ones who have gone before us that we will all be together again.*

“ I didn't know him well, just as a customer, but in the few years I got to know him I realized what an exemplary person he was. A genuinely friendly person, generous with his time and knowledge, an excellent businessman, and one of the absolute best craftsman and fabricator I have ever known. I know I will miss him, but the whole community will miss him. We have lost a wonderful memorable person. I know my life was made better by knowing him. My sincere condolences to his family and everyone who knew him.
