“ *Thursa was such a blessing to me when it became necessary for our house to become gluten free! I was clueless, and she was exceptionally helpful. Her advice, recipes, and tips are still used by me today. I will miss her, but I rejoice with her family that she is now with her Savior. We will see her again. May everyone in the family feel God's arms around them extra tightly during this time. May God's peace and comfort be a blessing to you. With love in Christ, Terri Baumann*
