“ Dear Mrs. Hall, MR. and Mrs. Tim, Jr. and Jeanie Ruble Hall,

I was with great sorry for you, your family, Mr. Hall's extended family of that I learned of the home going of my wonderful mentor, Tim O. Hal, Jr. He was a wonderful individual who lived a Christ-filled life. I know that as much as I will miss him, you and his extended family will miss him more deeply, but all will rejoice, in time, that he is with our Heavenly Father.

It is so difficult to give up the physical life you and his extended family who loved him so intimately will remember all too well where you must subsist right now. The disbelief and the distress can be so severe that you just feel numb. Even so, supremacy to do the things that must be done is provided.

Very soon, perhaps already, perhaps today or tomorrow, when you least expect it, God's grace will overcome the confusion, the questions, the hurt, the pain, and the loss. When this happens, very quickly and quietly, grace will envelop you and you will experience peace. This is the turning point; at this time you will know that everything is and will be at peace in your lives!

From here on, for several months, not a day will pass that you will not think of Mr. Hall - his gentle spirit, his smile, his random acts of kindness, or a memorable occasion you experienced with him. With each passing day, the hurt and the loss will visit you in a kinder and more peaceful manner.

Through it all, you will be amazed at the growth that has taken place - you will know and experience a new dimension of love. This love transcends the natural since you can no longer experience Mr. Hall's physical presence or see God's hand at work. How comforting it is that in Isaiah 41:10 our Lord says, "Fear thou not; for I am with thee: be not dismayed, for I am thy God: I will strengthen thee; yea, I will uphold thee with the right hand of my righteousness." What He is saying is that He will be with you at the point of your hurt, your

questions, and your sadness. He is also saying to you that Mr. Hall is in His care - no more pain - just wonderful peace!

My friend and former employer, Mr. Hall, touched the lifetimes of so many individuals. His work at Blue Ridge Bank allowed him to make available the best financial guidance his customers could receive on any given day. He prepared daily a bank that was filled with much invitational welcome and extraordinary assistance no matter the reason. His work at the bank afforded him various opportunities to afford his clients with expert financial assistance. I never told him, but I know of many individuals he did providing extra services at not one penny of extra cost. Oh, what a servant-filled heart he had!

Mr. Hall left his family, friends, members of Walhalla First Baptist Church, associates with many parting gifts called memories. Reflect upon these "parting gifts" often as you transition to a life without him. Also, he provided you an example of a servant heart that should serve you well as you welcome each new day.

Mr. Hall presence and availability will be missed greatly by those who cared profoundly for his family, his extended family, and especially those with whom he worked. I pray that God's presence will be felt by all at this time in life. If I can ever be of service to anyone with anything, please allow me the opportunity to do so for he did that for me many, many times!

Know that you and those with who befriended are in my thoughts and prayers.

*Sincerely,
John Kelley

“ Jean and family; I was so sad to hear of Mr. Hall's home going. My memory chest is full of the memories (some happy and some sad) that we have shared over the past 57 years. Working with Mr. Hall all those years meant so much to me and my family. He gave me a job when I was 23 and I can't imagine what our life would have been like without him and Blue Ridge Bank. He was so good to me even though we didn't always agree on everything, and I remember once in our early years he gave me 30 minutes to let him know if I wanted to continue working at the bank. I'm sure he knew I did even though I waited 29 minutes before I told him; then when I reminded him some years later he didn't remember it. If you feel I can ever do anything for you I hope you will let me know. Love to all of you!
