“ My sympathy goes out to each of the family members and friends. Red was a great friend of mine many years ago. I can still see that big smile of his and his kindness. My thoughts and prayers go out to all of you.

“ *Our hearts are heavy and broken over the circumstances of Reds death...Those long afternoon and evening visits will truly be missed as well as our phone calls to check in with us and tell us he loved us...Even though he labeled himself as the 'blacksheep' we never labeled him anything other than a true friend because that he was... We loved him and he knew it...Underneath all the hard-headedness and stubbornness was this sweet heart of gold...We are so thankful to have shared a nugget of it...Our thought and prayers will be with you all in the days ahead...We love you, Scott and Lynne*
