“ I am so sorry to hear about Tony. I was privileged to get to work with him 14 years. Tony was a kind and humble person and would do anything to help. “ Jan, I think I met you for the first time at the funeral home Sunday afternoon but I long heard about you and Matt in my association with Tony and his friends. I knew him from the horses, wagon trains, etc. He was just always a nice person. I enjoyed being around him and visiting whenever I could. With his illness, we know he is much better off but that does not take away your pain and grief. I will keep you in my thoughts and prayers.##imported-begin##Frances Ward##imported-end##

“ *Jan and Matt,*

Our hearts go out to you. Tony was such a good person, we thought so much of him. We are sad, we will miss him, but we are glad he is no longer suffering. We will miss him coming by visiting and sitting on the porch with us. May God wrap his loving arms around you, Matt, and your family and friends, to give you comfort through this. We will always be here for you, just give us a call, or better, come by. We love you and Matt and you are, and will, be in our prayers.

“ *Jan & Matthew, I am so sorry you are having to go through this void in your lives now. Tony was way too young to leave this world. He is in a wonderful place now and is free of pain and no longer suffering! That thought is what will keep you going as you press on in life. I will keep you and your family in my prayers.*
