“ Another anniversary passes by. Torie was so important to my life and development into the man that I ultimately became. She was nothing short of formative, and I am grateful she stayed in my life through adulthood.

“ I didn't know Tore real well but she was my deceased husbands Goddaughter and he enjoyed being around her so much when he could. Torte was such a joy to be around. She had such inner beauty in her soul that ultimately she made you feel calm and happy.. When Don my husband passed she was one of the many people that reached out with wonderful memories of her Uncle Don. Heaven has definitely gained an angel and i know you are still smiling at us, just from a different view.
My prayers and thoughts go out to Kent and all of Torie's family.
May God ease your pain and let you know she's an angel

“ Sincere sympathy to each of you. She was a beautiful lady who is with other family loved ones now. There are no adequate words to comfort you, only that so many prayers are being sent for everything your hurting hearts need. May God be with each of you daily as you face each challenge. Trust Him and believe on his promises.
