“ Smitty was a great person helped lots of people. I was a kid when I met Smitty.  
He just got back from serving in Vietnam. He got out of a taxi, by a house next to where I grew up on the Seneca Millhill he was dressed in his uniform and he was walking with a walking cane. He was injured pretty bad from he war. He bought a house the next street over and I would go everyday and help him work on everything cars,trucks,motorcycles.boats, you name it he would fix it. He taught me how to weld and ride a motorcycle and oh fishing too. That's why I am in the business of working on automobiles today. Smitty will be missed by all! We will always love him. Mandy I am sorry for your loss. We all love you too! God bless.
