“ We have fond memories of Ganma Ursula: visiting in her home, sitting with her watching James and Maclaine play various sports on Sertoma, watching and holding our breath watching Maclaine doing all her gymnastic routines, eating her delicious food at Oktoberfest, and just nice conversations about our kids growing up and now our grandchildren. She was one of those ladies that always had nice things to say about everyone. Papa George, Steve, Phyllis, Angie, Lisa and Richard and the rest of the family, we are truly sorry she has left us for a while. I always told her we were fortunate to have Steve in our family, thus connecting the Hanvey family with the Lee family. We love you dearly. Clarence and Louise
