“ Grandma was such a precious, sweet, inviting, Christian lady. I joined this family in February of 1991 when I became engaged to her first grandchild, David Alexander. I was welcomed into this wonderful Alexander family and grandmother treated me like one of her grandchildren. I have many fond memories of grandmother, the love for her family and her sense of humor. She would always tell you what she thought about things even if you did not like her answer. She did not like tattoos and anyone that had one she would tell them. She loved her children, grandchildren, great grandchildren and in laws with all of her heart. I will greatly miss her. I loved her like my own grandmother. I know that she is happy to be in the arms of Jesus, with a new body that is healed and with her beloved Claude and able to once again see her son Tony. Rest in Peace Grandma. We will meet again one day.

Love,  
Christina
