“ Dear Annette, We know this is a very sad time for you. But try to remember all the great moments that you had with your Mother. There will be tears, but try to make them, tears of joy, for all the wonderful times you had with her.

She loved life and lived it to the fullest every day. She touched so many lives and brought great Joy to those she came in contact with.

She had an amazing capacity to love. She loved her family and friends. And She was diligent in making sure you all knew it.

It is so hard to loose a love one as you have, Annette, but stay focused on all the happy times that made your relationship with your Mother and each other so Special!

Remember, Annette, your Mother is in a better place now than she's ever been before. And remember, She is the newest Angel in Heaven and she is smiling down on all of you.

Your Mother has left behind a thousands or more moments that will live in your hearts forever.

In big ways, and little ways, your Mother's life changed the world and left it a better place and she touched to many hearts to ever be forgotton, Annette.

You and your Family are in our Prayers, and we pray God's peace and comforting arms will surround you durning this difficult time.

*Love you all,

“ I am saddened to learn of Mrs. Viola`s passing. I am painfully aware that words alone will not take away the grief we feel, when we lose those we love. I worked with Mrs. Viola for a number of years. She had a friendly smile for all, and I feel fortunate to have had her be my friend. To the family, I am sorry for your loss. She was a beautiful, gracious lady, and she will be sorely missed! Rod & Katherine Albertson##imported-begin##Rod Albertson##imported-end##
