“ Susan and Family. My heart was saddened to hear about Pete. Me and Vance really had some good fellowship with Pete. I loved to hear him laugh! Him and Vance together! What a pair! I know Pat was waiting on him at the Gate. Along with all the other Wards and Duncans. Pat's family, the Wards, Ausburns and Duncans, are slowly going on to their rewards. They all took me in and made me a part of the families.

“ *Virgil was a very good friend from the time we moved here 30 years ago. When we installed his heating and A/C, BLUE FLAME HEATING & A/C he was out with us telling us jokes and clowning around. He was a great hunter and told us many hunting stories. He always had a smile and was so friendly. We wanted to stop and see him, but Ace is just getting over Covid/phnemonia and didn't want any of them getting sick. He was a real MAN and that doesn't happen a lot lately. Our prayers to Virgil and his family.*
