“ *I am Tracy (Ramey) Hendrix. I was one of Jenny's best friends in high school and I have always thought about her but I didn't know where she was and how to even start looking for her. Jenny Was an awesome little person she was so smart and so funny. but I also Know how bad she fought with diabetes I am just so sorry I didn't get to talk to her before she passed. One Hugh memory I have is our senior prom she didn't have a date and I didn't either so me and her dressed up and went as best friends I still have our picture together. I love you Jenny Farmer may you rest in peace!!!*
