“ *Jennifer,*

*I really didn't know what to say but I began to think about "Life" and how it's so unpredictable....and Jen you know I'm always thinking, but perhaps when we look up in the night skies and what we see are not stars, but rather openings in heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy...so Jen, I know it's hard but let go and let God.##imported-begin##Patro Ulmer##imported-end##*
