“ Kay was a special person. I have many fond memories of her. She was always fun to be around with her bubbly personality. I lost contact with her many years ago, but, often thought of her. I know she will be missed greatly. My sincere sympathy for all of her family.

“ I worked with Kay at Stockbridge Elementary School in the early 1990's. Kay was one of the most beautiful souls I've ever known. I'll always remember days at her lake house and laughter. I'm so blessed to have been there when she and Billy got married. She'd never looked so beautiful because she was happier than I had ever seen her. I hate that we lost touch, but she always had a special place in my heart. Heaven gained an Angel in Kay. God bless sweet lady.
