“ *Brenda and family—Sending you much love and prayers during this very difficult time. Wayne was such a special man to me, Misty, Betty and especially, mother. He was the most giving man and did so much for our family. There’s no telling how many people whose lives he touched in his lifetime. I know he has been reunited with his mom and dad, Bill, my mother and all of our family who’s waiting on the rest of the family to get there. Don’t you know that’s been such a special reunion! I’m praying for God to wrap His arms around you and the boys to lift and guide you through the pain and sadness. I love you, Brenda and I’m keeping you close in prayer.*

“ The sad and shocking news of Wayne's passing traveled to eastern North Carolina today and has caused Dane and me to reflect fondly upon the memories of our children growing up together in Seneca. But what we especially remember is the kind and gracious spirit of Wayne that was woven throughout those memories. Brenda, Parks, Andy, and Travis - please know that you are surrounded by our love and prayers. -Tim and Dane Sergeant

“ Brenda and family, your loss is felt by so many people who loved your husband and your dad. He was truly one of the most caring and giving people I know. He will be missed by many but he lives on in the many memories and laughter we shared. In the days ahead, may you find comfort in knowing you are being lifted up in prayer and may the Holy Spirit give you the peace that passes all understanding. I love y'all very much!

“ Wayne was just a great person. He loved life and lived it to the fullest and loved his family and friends deeply. No one ever heard him say or do anything negative toward another and no one ever said anything negative about him. He was simply comfortable with himself and others. We can all learn from him and the world is a lesser place without him.
