“ I was so very saddened to hear of Tom's passing. He was a great man in my eyes. He made a wonderful impression on me when I was a young boy. I will never forget that big booming voice and that cheerful laughter. Tom was probably my Dad's best friend. I only wish I had known when he passed away as my family and I would have loved to pay our respects to Tom and his children.##imported-begin##Tim Eller##imported-end##
