“ Webster Bruce was one of the finest men I’ve ever met. He and Major were BEST friends since high school. Webster and Wanda have always been there for me and my family. Loved my daughters as they love their own. Webster stood by Major during his brief illness and they were there with us when he passed. As Wanda told me, “They’re together again.” My prayers are with the Bruce family as you go through this time of bereavement and beyond. I’m here if or when you need me for anything. Webster - I’ll miss you and I’ll ALWAYS remember the kindness and support you have given to me and my family. Rest easy my friend. I know you’re in the presence of the Lord!!!

“ I am so sorry to hear of Mr. Bruce's passing. I got to know him while I was with the Oconee VA Office. He always came in with a smile even though I know there were times He was in pain. We always laughed because I was always confused about his name. Was it Webster Bruce or Bruce Webster? There are some veterans I will always remember...he is one of them. May God keep you in his comforting arms.....

“ Webster was a kind caring man. Met him through working with his wife Wanda. He was the same every time I met him. His smiling face calling me Grandma, which Wanda started. I didn't mind I was always glad to see them. So sorry he had to leave but when God, calls we gotta go. Looking forward to seeing that smile again someday.
