“ Wes was a dear friend, mentor, and my boss for many years at TMT/Crowley. He hired me to be a salesman in the Atlanta office of TMT. He and I traveled together throughout the Southeastern states. I had heard so many stories of his, I could tell those stories almost as well as he could. He and Margaret became good friends with me, my wife and girls. He had a strong faith in God and was always an encourager and coach. There will never be another man like Wes. He had a great sense of humor and love of life. God Bless Sir Wesley Coon.

“ I am so sorry to hear about Wes. He was a special friend to me. I have know him since 2002 when he came to a medical office that I worked at. We had remained friends after that office closed and I have many fond memories of Wes. He was not only a patient of mine but became a good friend that I will always remember. I had spoken with about 3 weeks ago to see how he was doing and knew he was not doing well. I will miss my friend but I know that he is in a much better place and with the love of his life . Thanks for sharing such a great person with me. Carolyn Sullivan###imported-begin###Caolyn Sullivan###imported-end###
