“ *Dear Tim and Family:*

Jerry and I were saddened to hear the news of your father's passing. Nothing can replace the sorrow that fills us when a parent passes away but with the years that follow the loss is easier to bear and remembered joy takes the place of the sorrow. Our sympathy goes out to the family and we will pray that the comfort that only God can give will be with you in the days to come. Blessed are those who mourn for they will be comforted.
