“ I will always cherish the life that God gave to my step-father and the years that he shared with my mother. Their '38' years enjoying each other and the love that they shared together can not be explained with words. He treated me as a 'daughter' and never was too busy to help me in anything I needed. When I lost my dad, 'Dickie' was right there beside me to help me through the saddest day of my life. He never met a stranger and enjoyed making people laugh. His laugh was 'infectious'. He loved and cherished all of his family and friends. I will always cherish the years that 'Dickie' was in our life and will miss him until we all meet again. I thank God that he was a part of my life.
