“ *I have thousands of funny memories of Bill, from my childhood all the way up to now. As a building inspector, he'd be on my job site an we'd talk about back when his business was located next door to the phone office where my dad worked. The phone guys always played jokes on him by calling and complaining about county council (he was a member). Wanting something done about their road or something. Phone guy would be on a pole outside looking in the window laughing while they argued with him. He'd always catch on to them. I always wondered if he'd call "fake" while he was on the phone with a real person.*

Bill was a great man, a funny man, that was always a fun person to be around. He was also a brother to many. Gonna miss the stories and laughter my friend! Go in peace and make God laugh while you wait for all of us.
