I'm sorry this is late Uncle Bill...but you've never left my mind nor have the thousands of memories I have of you. You are so missed - even more, everyday. I just got married again - something I swore I would never do - to a wonderful, incredible man, and Judy & Uncle Jack came here to be with me. I felt you here in spirit, and I thank you for the smiling, love, and support you were showering us with on that day! Thank you for being such an inspirational, upstanding, hard working man and Uncle - something I didn't always appreciate when I was younger, but, I do now, and it has certainly helped to shape and make me the man I am today. I love you!

Bill was an inspiration to more students than can be counted. His humor and personal interaction with THS students has no calculable measure. He was himself and the world is less with his loss but better for those he shared is with. We, at Burrell's Automotive, number three whom have benefited from knowing him. But many have been blessed by his introduction to our lives. All of us wish him a very enjoyable journey.

“ Judy, my prayers are with you and the rest of your family. I'll always remember Mr. Hines from my days in high school, but mostly I'll remember him from the summer of '72 when he, Benny Luce, and I worked together for Terry Construction Company. He was so much fun to be around, even the hard work was fun, and the days passed by so fast when working with him due to his wit. He was a very good friend, who I will always cherish having known.
