“ I worked with Bill at the power plant for many years on shift and in training. I remember the fun times we had playing softball and basketball (in our younger years) I always appreciated his wonderful sense of humor. He was always willing to help others in need. Just a great man all around. He was a great friend and will be missed.

“ Bill has been my neighbor for the last 4 1/2 years. His kindness and dedication to helping others who suffer was real, and easy to see. My young children have adopted Bill and Bonnie as honorary grandparents, and Bill filled the role perfectly. Getting to know Bill has been a privilege, and we miss him with broken hearts already. Bonnie, we love you, and you have our prayers and any other help you need.
