“ Mr. Bill was such a precious person to me. (Ms. Carol too) I owned Balloons Etc in Florence and often saw him a Tommy Wholesale and sometimes he would run by my shop. He was always one to look up too and listen to what he had to say. He was a wise man and he definitely loved our lord and savior. He found out that I never really got to celebrate my birthday because it fell on a busy time of the year and I always had to work extra hard. Once he found out that my birthday was the day before Valentines, he would bake me a cake and deliver it to me! This went on for years!!!! Probably 20 or more!

It's really strange that I was thinking about him and Ms. Carol tonight and googled his name and I found where he was no longer living here on earth, but has moved to heaven. My deepest condolences to the family, He was an amazing man and my life was richer having him as my friend.
