

Dr. William "Billy" Strother Darby, Jr.

February 15, 1949 - January 21, 2024

William Strother Darby, Jr., 74, husband of Deborah Senn Darby, of Walhalla, passed away surrounded by his family, on Sunday, January 21, 2024, at Oconee Memorial Hospital.

A native of Walhalla, SC, Dr. Darby was the son of the late William Strother and Marian Elizabeth Darby. He graduated from Walhalla High School, where he excelled in sports. He played football, earning the honor of having his #14 jersey retired, held the state record for the long jump, played baseball, basketball and enjoyed competitive water skiing. Dr. Darby graduated from the University of Georgia in 1971, where he was defensive captain of the football team, was all SEC and was voted pre-season All-American. He received his doctorate from MUSC Medical School and returned home to serve his community in private practice at Oconee Medical Center for 40 years.

Dr. Darby was an avid bird hunter, having taken many hunting trips out west. Continuing his love for the sport he and Deb opened Whitetail Kennels, breeding German Wirehaired Pointers for thirty-five years. They also started the Palmetto Pointing Breed Club, which just celebrated its thirty-year anniversary. Billy trained many AKC and NSTRA field champions including his beloved Kate Darby (six-time NSTRA Champion) and Atz Darby (DC/AFC/MH).

He was known as Dr. Darby by many but as "Papa Billy" by his grandchildren, who cherished every moment with him on the farm. He was a member of Walhalla Presbyterian Church.

In addition to his wife, Dr. Darby is survived by his children: William Derrill Darby (Katie Lynn) and Jana Darby Scroggins (Lee); and grandchildren: Darby, Caroline and Andrew Scroggins, and Ella, Marian and Smith Darby all of Greenville, SC.

In addition to his parents, Dr. Darby was preceded in death by his sister: Anne Darby.

The family will receive friends from 4:00-6:00 PM, Wednesday, January 24, 2024, at Davenport Funeral Home.

A memorial service will be conducted at 11:00 AM, Thursday, January 25, 2024, at Davenport Funeral Home.

Flowers are accepted or memorials may be made to the National German Wirehaired Pointer Rescue, www.nationalgwprescue.com.

“ Dr. Billy Darby was my doctor from the time I moved back to Walhalla from college until he retired from his practice. I respected and loved him as did many of his patients. He was kind and never rushed through any of my visits. He took time, not only with my medical issues, but for a friendly visit as well. I will never forget him.

“ *All of the Darby Family,
I have known Billy since he was six years old. He and I shared lots of water skiing challenges in our younger days. Maxine and I also had the opportunity to watch Billy play football at UGA. We can recall hearing his name called out often during the game. We were proud of our Walhalla friend! We are saddened, and we will be in prayer for your family.*

*I knew Billy in the 50's, 60's, and 70's. He was the Golden Boy of Walhalla. He excelled in everything he attempted from every sport to academics. He was the greatest fun on the basketball bus. He led us in singing songs and telling funny stories. He was loved by all - students as well as faculty members.
Deb I am so sorry for you and the rest of the family. I played bridge with your mom, Sue and your aunt, Carolyn Cochran. But somehow I missed knowing you. Sue and Carolyn said many nice things about you. My heart goes out to you and the family. I will keep praying for you all. It takes a long time to recover from a death. I have my copy of the UGA football program with Billy's picture on the cover. I don't know if you would like to have it for one of the grands, but I will be happy to pass it on to you. Billy put Walhalla on the map that day! He will be sorely missed.*

“ *Deb, Derrill, and Jana,*
My heartfelt condolences to each of you for the loss of Dr. Darby. I have so many fond memories of the years that I worked at the Medical Center with him. I grew up going to The Medical Center as a patient and was so thankful that he hired me after graduating from Tri County Tec. He along with other providers taught me so much about caring for patients. He had a great bedside manner, a caring disposition for all his patients. He was one of the best and I am thankful to have know him. Please know that you all are in my thoughts and prayers in the days to come. RIP Dr. Darby
