“ *Eileen & Family,*
I was saddened to learn of Will's passing. I spent many hours with him on the driving range, and I always enjoyed his comments, suggestions, and most of all his encouragement when I occasionally hit a good shot.

“ Oh, Eileen, I am so sorry to hear of Will's passing. I remember such a wonderful time with you both at the SC Dems convention not too long ago ... and Will wearing that silly hat. What a wonderful image. And, person.

My heart goes out to you at this time.
