“ My thoughts and prayers go out to Mrs Ruth and family for the loss of their husband, father, and grand father. I have fond memories of working with Crayton with the Oconee County Sheriff's Department. I worked under Crayton for 5+ years and went through some drastic changes. Crayton will always be remembered for his quick wit, and his ability to remain calm during the most stressful of situations. I will always remember the good times and laughs we shared. God bless his family during this most difficult time in their lives.

We will 10-25 with you in Heaven when we meet.
