“ Dean was a good friend and a great teacher of Barbershop singing. I am fortunate to have had the opportunity to perform with him In the Turn Of The Century Quartet for nearly 20 years and benefit from his leadership. I will always remember those fun times and Dean's quick sense of humor.  
Sincere condolences to all the Manning family from Pat and I.

“ Dean was a gifted member of the Golden Corner Chorus. Dean loved barbershop singing and was a member of several quartets. I enjoyed singing with Dean in *The Turn of the Century* and subbing with the members of *The Four D's*. His contributions to Barbershop singing will be greatly missed and long remembered. Jay Bobo

Dean and I were charter members of the Golden Corner Barbershop Chorus, which was in existence from 1994 until about 2015. He was the consummate barbershopper, and we all appreciated his hard work and talent in helping us entertain the local gentry, I, too was lucky enough for about 3 years (before we moved away) to join him in *The Turn of the Century* quartet, and I sang many a "Singing Valentine" with him. RIP, and our sincere condolences to Ruth and the family.
