“ *Hello,*
I knew Bill for many years when I was dating his daughter Sheila. I worked for his company for many years as he gave me my first job in construction when I was 15 years old and worked summers and Christmas breaks for many years. I admired him greatly and he treated me like his son. I will remember him always very fondly.##imported-begin##Dan Loughborough##imported-end##

“ He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And,throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.##imported-begin##Magallon Family##imported-end##
