“ *Martha and Family:*

*I am so sorry to hear of William's death. I have many fond memories of you and him when I worked at Sangamo. I remember those 5:00 in the morning wake-up calls and the friendship I developed with Teresa, Joe and Rhonda. Yall have always been an inspiration to me and an encouragement to try to walk in the faith and be the best person that I can be. Time has a way of separating friends, but the memories are always there. Praying for your family. Love yall!

“ Martha, Teresa, Joe and Keith, I am so sorry for your loss of William. He was a wonderful husband and father and friend. He will surely be missed. He was a very giving person and loved his family very much, as it showed in the sparkle in his eyes when any of you walked into a room. His love of sports gave him the opportunity to touch many lives and he will always be remembered and missed. May God Bless each of you and heal your hearts as you mourn this loss. We will be praying for your family.##imported-begin##Wanda Rech##imported-end##

“ William Nichols has touched and made an impact on many lives during his time with us. I know that he believed in me as a young basketball player when I could not believe in myself. No telling the miles he, Martha, Joe and Keith put on vehicles traveling around to be with us while we played ball to always encourage us and push us to the next level. He loved the game and had a competitive spirit no one will ever match. He will be missed...##imported-begin##Sherry Rogers Moore##imported-end##
