“ *I was on vacation when Mr. Nix left us and I was so sad to hear of his passing. As my Dad was born and raised in Oconee, we often talked about that area and people we both knew to include my aunt who he figured out used to visit his Mom. I was so honored to be a part of Daisy's life and yes I do have her picture on my wall in my office. He expected her to become Miss America one day and promised me another picture! You are all in my thoughts and prayers during this time of loss. Richard Campbell was honored to be part of his life and provide care for him.*
